SIERRA
SCHOOL

A VERY SPECIAL SCHOOL EXPERIENCE FOR VERY SPECIAL KIDS

The Sierra School at Eastern has been providing K-12 students with personalized education services for decades. Our specialized programs — featuring small class sizes, one-on-one instruction, computerized tutorials, and a host of stimulating extracurricular activities — are custom-tailored to meet both the individual needs and the IEP requirements of students facing emotional and learning challenges.

With targeted initiatives — like our school-to-work training program, our rewards-based behavior management system, and our full array of therapies, social support, and related services for ED, SH, and LD students — Sierra School might just be the right school, the *perfect* school, for your child.

Call today to learn more about how we can expertly meet the special needs of Sacramento-area students.
