*Before you sign on the dotted line for 2018–2019, explore your options! We can save you **money**, we can save you **time**, and we still provide **exceptional therapeutic services** for exceptional students. Try us out for the summer/ESY and see for yourself!*

WE

Care

Our skilled, passionate therapists apply innovative, effective techniques with patience & compassion.

WE

Understand

With 50+ years of special education expertise, we have thorough knowledge of IEP processes & procedures.

WE

Deliver

We fulfill our promise to our school partners, with top-of-the-line services at industry-lowest prices.

WE

Customize

Contract only for the programs you need, the parameters you want & the time you use.
